DIRECT EMAIL MARKETING SERVICES:

CatStone Press can aid you in sending your email blasts and developing your email lists. We work directly with iContact, one of the premier bulk email companies in the US, to coordinate your database(s), create beautiful HTML emails and send your emails as soon as your digital publications are complete. For a minimum monthly fee of \$40, CatStone will email your publications as part of our digital service. CatStone also offers creation of a custom subscription form, that can be placed on both your websites and on the pages of your publications, to autosubscribe and autorespond to new readers.
